Who are we?

WE ARE STUDENTS

The Wesley Foundation at ASU is a campus ministry that provides spiritual development for college women and men who desire an enriching collegiate experience of discipleship, service and leadership.

WE ARE SERVANTS

Along with weekly bible studies, Wesley Foundation student leaders participate in empowerment sessions, service projects, international mission projects and community partnership opportunities in an effort to transform our world through the love of Jesus Christ.

WE ARE ON A MISSION

The Wesley Foundation at ASU is a nonprofit organization that creates a safe space for college students to share their journeys and explore theological meanings for the world's present condition. We operate on funds from everyday people like you who believe in our efforts.

WE ARE PARTNERS IN MINISTRY

Your contributions enable students to travel abroad and participate in experiential learning projects as they develop relationships with people of other cultures while sharing in the love of Jesus Christ.

Trip Details

DATE

OUR MISSION TRIP DATE IS SET FOR DECEMBER 11-16, 2016.

LOCATION

The Wesley Foundation will be serving the Rosarito Campus in Rosarito, Mexico.

PROJECTS

Our students will be actively involved in two projects, facilitating morning Vacation Bible School for the local village and serving dinner to the residents at the local soup kitchen.

TOOLS FOR TRANSFORMATION

Because of the economic condition of the mission location, the residents are not able to finance the essential items needed to mobilize the mission project efforts. Therefore, each group is responsible for providing ALL teaching tools and food items including the following: Paper, pencils, crayons, paint, construction paper, glue, art and crafts items and food for the pantry for the entire week.
