

October Newsletter 2016

Letter from our Program Director

For a Program Director, going from summer camp to the fall season is like slowing down from a 70 mph speed limit to a 25 mph school zone. It can be kind of weird to be honest, but one of the things I love about this season is the chance to slow down and reflect about the season past and the season to come. We saw God work in amazing ways this summer and as we look at our fall season we are in prayer for what God will do. Please be in prayer for us as we start preparing for a very busy fall and as we kick off some brand new camps for 2017! We are all excited about what our Father will do! Our goal is simply said, "to make disciples for the transformation of the world".

See you soon!

Eric Hindmon - Program Director

New Improvements in 2016!

- 30 new twin size mattresses for Oakwood
- New Iceberg and Water Trampoline for the waterfront!
- We opened up the Pinewood cabins by removing interior walls not in use.
- New wireless, hand-held and lapel microphones provided by the United Methodist Women!
- Increased wireless internet speed!
- New Archery equipment and range improvements

Blue Lake Needs and Wish List...

We rely heavily on the donations from people just like you in order to make improvements to camp happen. So far this year we have received monetary donations for new program equipment needed ranging all the way from different types of balls, to our trampoline and iceberg! To see our full wish list please copy and paste the link below in your web browser:
